

Unleash Cymbidium's full potential

Welcome to a world just for you, where Cymbidium Orchids take centre stage and creativity knows no bounds. Whether you are an experienced florist or just starting out in the floral industry, this website is designed to inspire, inform and celebrate creativity. Join us in discovering the endless possibilities of Cymbidium orchids - because every florist, from the seasoned professional to the up-and-coming talent, deserves to thrive!

In this brochure, you will find the availability of both the Cymbidium and the mini Cymbidium. In this way you know well before if your favorite flower and color are available.
